Key to Codes

- A - Abundant
- LA - Locally Abundant
- C - Common
- MC - Moderately Common
- LC - Locally Common
- LMC - Locally Moderately Common
- UC - Uncommon
- LUC - Locally Uncommon
- V - Vagrant or Visitor
- R - Rare
- Intro. - Introduced
- E - Endemic to Australia
- Br. - Breeding Endemic
- AM - Annual Migrant
- PM - Partial Migrant
- N - Nomadic
- S - Sedentary
- R - Resident
- S TE - Southern Top End
- C - Coastal or Near Coastal
- In - Inland
- W - Widespread
- O - Offshore
- U - Urban
